TO WHOM IT MAY CONCERN

CCS has been our contracted cleaners for the past two years. In that time we have built and maintained a very effective and responsive relationship with Justin and his team.

I have found Justin to be highly professional in all dealings and always intent to service our needs. His team has proven to be reliable and accommodating. When any issues of unattended areas, or standards have been discussed, Justin has responded openly and justly. Fortunately, such times have been very few indeed.

I can wholeheartedly recommend CCs and their high level of customer service and efficiency of cleaning. I am only too pleased to speak to this letter if required.

Yours faithfully

Richard Grajczonek
Principal
